

**Mason County Fire Chiefs  
North Mason Regional Fire Authority  
&  
Washington State FTA - Regional Direct Delivery**

**Sponsored Training**

## ***Basic Fire Fighter 1 Recruit Academy***

North Mason Regional Fire Authority will be hosting a Basic Fire Fighter Academy supported by the Washington State Fire Training Academy through the Regional Direct Delivery Program. This class and training will provide the new and experienced volunteer fire fighter, fire ground knowledge and skills to perform safely on the fire ground in a team environment.

These classes will also prepare the candidate to take the Washington State International Fire Service Accreditation Congress (IFSAC) Fire Fighter 1 and Hazardous Materials Awareness & Operations written and practical tests.

**APPLICATION DUE DATE** – August 31, 2021

**START DATE** – September 9, 2021

**END DATE** – December 14, 2021

**GRADUATION DATE** – December 18, 2021

**CLASS LOCATION/TIMES/DATES:**

- Classes will be held at Mason County Fire District 6- Station 61, 50 East Seattle Street, Union, WA 98592; Tuesday and Thursday nights 1800 to 2100 hours; Saturdays 0900 to 1700 hours.
- Meals are not provided (bring your own)

**CLASS CURRICULUM:**

- International Fire Service Training Association (IFSTA) 7 Essentials of Fire Fighting (Hazardous Materials for First Responders)
- IFSAC Fire Fighter 1 Operation skill sheets
- IFSAC Hazardous Material Operation skill sheets

**CLASS PREREQUISITES AND QUALIFICATIONS:**

- 18 years of age
- Affiliated with a fire department that agrees to sponsor student
- First Aid and Health Care Provider CPR by start of class
- Student must meet Washington State and their department's medical, respiratory and physical fitness standards. *The fire chief's signature serves as verification that the student meets those standards and is covered by their insurance.*
- NFPA/WAC 296-305 compliant Personal Protective Clothing & Equipment (PPE)
- SCBA is NFPA/WAC 296-305 compliant; cylinders have a current hydrostatic test date
- Facial hair that meets WAC 296-305 standards (no beards or goatees)

**CLASS TUITION:**

- There is no cost to the student or fire department for the instruction, books, live fire training or IFSAC testing.
- The class is funded through a Washington State Fire Training Academy Regional Direct Delivery Program in partnership with Mason County Fire Chiefs & North Mason Regional Fire Authority.

**STUDENT EVALUATION:**

- ATTENDANCE – It is recognized that some classes may be missed due to illness, family emergencies or work schedules “but” it is imperative that the student be accountable and notify the program drill master that they will be not attending a class and make arrangements to make up the missed sessions.
- The Saturday and Sunday practical skill days are very important in preparation for the state practical test which is a pass or fail, if you cannot not make a training session it is imperative to make up that missed day.
