

# North Mason Home Care Aide Training Course \*FREE\*

The North Mason Regional Fire Authority, in partnership with Visiting Angels and Virginia Mason Franciscan Health, is offering a 75 hour Washington State Home Care Aide course. The course is designed to prepare individuals for a career in providing home health care and/or provide professional instruction on how to care for loved ones.

The \$450 course is **free** for registered students and the cost for a WA state certification will be reimbursed to students upon successful exam completion.

Classes will be held on Saturdays, beginning March 4th, 2023 and will be held at the Fire Station in Belfair.
