NUMBER: OPS-35
EFFECTIVE: January 2025
REVISED: N/A

REFERENCE

North Mason Regional Fire Authority

Purpose

The purpose of this policy is to provide guidelines for Fire Authority Emergency Medical Technicians (EMTs), Paramedics and first responders in identifying and referring appropriate patients to the Fire Authority's Mobile Integrated Health (MIH) program. This ensures that patients who may benefit from ongoing care or services outside of emergency response can receive the appropriate care, resources and support.

Scope

This policy applies to all first responders, to include officers, volunteers, EMT's and Paramedics employed or affiliated with the North Mason Regional Fire Authority including those working in pre-hospital, emergency, and transport settings.

Definitions

- **Mobile Integrated Health (MIH):** A healthcare delivery model that integrates emergency medical services with Authority provided medical, social, behavioral and mental health services, offering patients access to ongoing care management, chronic disease support, and non-urgent services.
- **Referral:** The process by which a Fire Authority first responder identifies a patient as a candidate for MIH services and directs them to the Fire Authority's MIH team or program for follow-up care.
- **Chronic Conditions:** Health conditions that require long-term management, such as diabetes, heart disease, respiratory conditions, etc.
- **Frequent Utilizers:** Patients who utilize emergency medical services repeatedly for non-emergent issues, often due to social, environmental, or healthcare access challenges.

When to Refer to the Authority's MIHP

Fire Authority first responders should consider referring patients that are encountered during a request for emergency service or evaluation to the MIH program under the following circumstances:

- **Chronic Health Conditions:** Patients who have a chronic illness or condition that requires ongoing monitoring, care coordination, or education (e.g., diabetes, heart failure, COPD).
- **Frequent Utilizers of EMS:** Patients who frequently request emergency services but whose needs could be more appropriately addressed by community-based care, such as frequent non-emergency calls related to health conditions that can be managed in a non-urgent setting.
- **Social Determinants of Health:** Patients with social factors affecting their health, such as homelessness, lack of transportation, isolation, or difficulty accessing regular healthcare services.
- **Post-Discharge Follow-up Needs:** Patients discharged from the hospital or emergency department who require follow-up care or additional monitoring but do not need to be readmitted to the hospital.
- **Behavioral Health Needs:** Patients with behavioral health or substance use conditions who may benefit from additional support services or non-emergency interventions.
- **Non-Emergent Medical Conditions:** Patients experiencing conditions that do not require immediate emergency intervention but could benefit from primary care or home-based care management.

Referral Process

The following steps should be followed when referring a patient to the MIH program:

1. **Patient Identification:**
 - Fire Authority will assess each patient for eligibility based on the criteria outlined in Section 4.
 - Consider patient consent before initiating a referral. If the patient is capable of making decisions, they must agree to the referral.
2. **Initiate Referral:**
 - After obtaining patient consent for an MIH referral First Responders will attempt to schedule a patient for an MIH appointment using the Athena appointment scheduling platform at the conclusion of an emergency response. In the event that cell data coverage cannot be accessed first responders will schedule a MIH appointment with a patient and enter appointment details in the Athena platform upon returning to the Fire Station.
 - In the event that the Athena scheduling platform cannot be used for patient MIH scheduling (patient EMS transport to the hospital, patient unable to commit to a MIH appointment time) First Responders will use the referral link in the ESO referral system to connect the patient with future MIH services.
 - When possible, the Athena appointment entry should include a summary of the patient's current condition, history, and reason for referral.

3. Document the Referral:

- Details pertaining to an MIH referral will be documented in all ESO electronic health care reports in the narrative section. Include a clear description of why the referral was made and the patient's medical condition. If a patient is determined to not be appropriate for MIH services or a patient refuses MIH services, first responders will document in the ESO narrative the determination for non-appropriation or patient refusal for MIH services.

4. Feedback Loop:

- First Responders will try and connect with MIH team members and vice versa to establish a feedback mechanism to ensure that first responders are informed about the outcomes of their referrals. This feedback can help in monitoring the effectiveness of the MIH program and guide future decisions.

Patient Consent

- **Voluntary Participation:** Participation in the MIH program is voluntary. Patients must provide informed consent for referral unless they are incapacitated or unconscious.
- **Confidentiality:** All patient information related to the referral process will be handled in accordance with HIPAA regulations and any relevant privacy laws.
- **Right to Refuse:** Patients have the right to refuse MIH services at any time. The refusal must be documented in the patient's record.

Documentation and Reporting

- **Referral Documentation:** Authority First Responders must accurately document a MIH referral or determination of patient inappropriateness for MIH referral in the patient's ESO medical narrative reporting record. Documentation will include the reason for referral or reason for determination of non-referral, patient consent, and any other relevant MIP referral information.
- **Reporting to MIH Team:** Referrals should be communicated clearly to the MIH team using the Athena scheduling platform or ESO referral link with ESO narrative documentation. Documentation will include the necessary patient details to ensure appropriate follow-up.
- **Quality Assurance:** Regular audits of referrals will be conducted by the Authority's Medical Services Officer to assess the appropriateness of referrals, adherence to this policy, and the outcomes of MIH interventions.

Training and Education

- **Ongoing Training:** Authority First Responders will receive ongoing education on identifying patients who may benefit from the MIH program and understanding the referral process.
- **Referral Process Updates:** Training sessions will be held whenever there are updates to the MIH program or changes to the referral process.

Program Evaluation

- The MIH program's effectiveness will be reviewed periodically to ensure it meets the needs of the community and improves patient care.
- Feedback from NMRFA First Responders and MIH team members will be incorporated into program improvements.

Exceptions

- In cases where the MIH program is unavailable or unable to accept a referral, EMTs and Paramedics will follow alternative protocols to ensure patients are directed to appropriate care resources.

**NORTH MASON REGIONAL FIRE AUTHORITY
Regular Meeting Minutes: 12/10/2024**

Present: Commissioners Paul Severson, John Inch, Kelley McIntosh, Dan Kewish, and Bob Miller. Chief Bakken and Assistant Chief Cooper.

Absent: Executive Admin Katie Musgrave

Guests: Capt. Ryan Cloud via Zoom

Meeting minutes from November 2024 meetings presented and reviewed. **Commissioner McIntosh moved to approve meeting minutes from 11/12/2024; Commissioner Kewish seconded motion. Motion carried.**

Commissioner Kewish moved to approve meeting minutes from 11/19/2024; Commissioner Miller seconded motion. Motion carried.

FINANCIALS

Financial vouchers were presented and reviewed. Discussion on costs with regards to maintenance contract, District Newsletter, insurance reimbursement, and grant reimbursements for PPE and smoke detectors.

Commissioner Miller moved to approve Voucher Numbers 241201001 to 241201113 in the amount of \$500,773.69. Commissioner Inch seconded the motion. Motion carried.

FINANCIAL REPORT

The financial report was presented and reviewed by the board. Timber tax and GEMT monies exceeded anticipated amounts. The Fire Authority tends to maintain a conservative estimate of anticipated amounts since this is always an unknown for each year.

Carry-over is expected to be more than \$200,000, possibly up to \$350,000. Most will be earmarked for contingency accounts. The annual bond payment was made in November. Interest rates are still high enough to generate noticeable amounts for the state investment pool.

ADMINISTRATIVE REPORT

December Santa Run – A full schedule for December and well received by the community.

South County MIHP – There is an open position for the MIHP program. The plan is to have the plan start in February 2025. Mason General has allocated \$150,000. Based on billings, it's possible this could be a stand-alone program.

Tahuya Community Outreach Coordinator – Carl Bryant was hired after a final interview with Chief Bakken. His start date is scheduled for January 2025.

Firefighter/EMT Testing – Testing is scheduled to begin. Two (2) current employees will be taking family leave and will have an impact on staffing levels. There needs to be contingency planning.

Work Ex Program - There is a new plan for members of the military who are in transition from military to civilian life. The plan is an “internship” that helps place military veterans with law and fire agencies during transition and covers the costs of staffing.

WCIF & VFIS Insurance Renewal - WCIF health care insurance premiums will see a 6-7% increase. There is also going to be a slight increase with VFIS.

AFG Grant Submission and Purchasing – The AFG grant was submitted for turnout gear (PPE). The Fire Authority partnered up with MCFD 6 and West Mason Fire.

Board Elections (January) - The Mason Co Fire Chiefs Association board positions: President: Beau Bakken; Vice President: Clint Volk; Secretary: Mike Sexton; Treasurer: Greg Rudolph.

NEW BUSINESS

December 17th Board Meeting Cancellation Request – Proposed request to cancel the second fire commissioner meeting on 12/17/2024. **Commissioner McIntosh moved to cancel the meeting on 12/17/2024; Commissioner Kewish seconded the motion. Motion carried.**

OLD BUSINESS

Solar Panel Grant - The solar grant was originally awarded to JH Kelly. However, there is now an issue with the bid amount due to an oversight by JH Kelly on voltage calculations. This changes the bid amount resulting in an increase of approximately \$100,000. This is still less than the other bid that met the scope and criteria of the project. It was not intentional

oversight. The correct voltage was in the grant, but not the specifications during the bid process. The fire authority will follow up with the State Auditor's Office to make sure the bid process and award is addressed correctly. No contract has been signed yet. If additional steps need to be taken by the Authority, a special set meeting will be scheduled. Any change orders will be in writing.
