Physician Associate and Advanced Nurse Practitioners,

Are you ready to leave behind the assembly-line model of healthcare and provide care that truly focuses on holistic, patient-centered outcomes? If so, thank you for considering joining our expanding Mobile Integrated Health Program (MIHP), serving the southern and central parts of Mason County.

We are proud to be the first and only 911 emergency service system in Washington State delivering this level of innovative medical care directly in the community and in patients' homes. As part of our team, you will have the opportunity to practice at the top of your license, providing meaningful care that changes lives. If you are ready to be part of this groundbreaking movement, we invite you to apply and help us redefine healthcare delivery in rural communities.

Your work with us will be trailblazing as we continue to expand how community medicine is delivered. You'll work side-by-side with emergency service crews and advanced medical providers, with the latitude to do what's necessary to improve patient outcomes. We are committed to offering an environment free of barriers, where innovation is encouraged, patient care always comes first, and every team member has the tools they need to succeed.

To see the MIHP in action, I encourage you to view our program documentary:

As our selection process moves forward, we are excited to get to know you — both as a medical professional and as an individual. While we will spend some time evaluating skills, our greater focus will be on learning how we can support your success. Our hiring process is designed to introduce you to our values and culture, because we believe our greatest asset is our people. Our team members are the heart of our mission to care for the Mason County community, the place my family and I are proud to call home.

This is not a traditional clinic-based role. You will meet patients where they are, delivering care in homes and community settings. We encourage our team to pursue continuous learning, personal and professional goals, and "big thinking." We value creativity, compassion, and adaptability in everything we do.

If you want to experience a career where no two days are alike... if you want to help others in need and give back to the community... if you thrive on teamwork and innovation... if you want to be part of building a program that is truly changing lives — then we invite you to join us.

Thank you again for considering this opportunity. I look forward to meeting you and introducing you to our team. If I can be of assistance during the process, please don't hesitate to reach out.

Sincerely,

## DEFINITION & MAJOR FUNCTION

---

For the past three years, the North Mason Regional Fire Authority (NMRFA) has operated a Mobile Integrated Health Program (MIHP) in North Mason County. The MIHP – the first and only of its kind currently operating in Washington State – has been recognized in the Seattle Times for its innovative approach to healthcare. Our program is redefining how medicine is delivered in rural communities by pairing traditional emergency response with proactive, patient-centered care.

The North Mason MIHP team includes an Advanced Registered Nurse Practitioner, a nurse, a Psychiatric Nurse Practitioner, and a community resource specialist. Together with paramedics and EMTs from our 911 emergency system, they provide mobile medical care directly in the community. The program is guided by four goals:

1. **Expanding access to medical care**
2. **Reducing non-emergency 911 utilization**
3. **Decreasing healthcare costs**
4. **Improving patient outcomes**

Because of the MIHP's proven success, the NMRFA and community partners have expanded the program. In March, we launched a second MIHP team, based in Kamilche (just south of Shelton), serving the southern and central parts of Mason County. We are seeking a Physician Associate (PA-C) or Nurse Practitioner (ARNP) to serve as the cornerstone provider for the South Mason County MIHP.

### The Opportunity

This is a trailblazing role. You will:

- **Redefine rural healthcare delivery** by practicing without the constraints of high-volume clinics.
- **Collaborate closely** with emergency services and advanced medical providers to improve outcomes for patients across Mason County.
- Manage a **small, intentionally limited patient panel (6–8 patients daily)**, allowing for meaningful, holistic care.
- **Spend as much time with patients as needed** – hours or even consecutive visits – free from traditional productivity metrics or time limits.
- Work in a supportive, well-resourced environment that values innovation, teamwork, and patient well-being above all else.

### About the Role

- **Location:** Based in the **Kamilche/Shelton area**, serving southern and central Mason County.
- **Schedule:** 40 hours per week, Monday–Friday.
- **Team Support:** You will be joined by a nurse, Psychiatric Nurse Practitioner, and community resource specialist, while collaborating closely with our established North Mason MIHP team.
- **Employment:** Medical providers are employed and insured by NMRFA. Physician Associates will practice under the licensure of a Mason County emergency room physician.

### What We're Looking For

We seek a provider who is:

- Excited to **build and grow a rural healthcare program** from the ground up.
- Ready to **challenge the status quo** of medicine delivery.
- Comfortable practicing the **full scope of their license** in diverse environments.
- Passionate about **holistic, patient-centered care** and committed to improving health outcomes.

If you are looking for an opportunity to practice medicine differently – to spend more time with patients, innovate in care delivery, and make a lasting impact in a rural community – we invite you to join us. Feel free to visit and connect with our MIHP team members before applying. An informal connection and conversation by prospective providers before submitting an application and resume is encouraged. We want to be sure that this position is the right fit for you. Reach out to Fire Chief Beau Bakken at [bbakken@northmasonrfa.com](mailto:bbakken@northmasonrfa.com) to connect.

### Salary and Benefits:

- 2026 Annual Salary (depending on qualifications): \$130,000 to \$155,000
- No Social Security participation or payroll deduction (6.2%)
- Deferred Compensation Program with Authority Contribution up to 3.5% of annual salary
- Public Service Loan Forgiveness (PSLF) opportunity
- 100% employer paid Medical, Dental, and Vision for individual and family
- Authority-Paid Life Insurance
- WA State PERS Retirement Plan participation
- Federally recognized holidays off
- Paid sick leave and vacation
